DESCRIPTION

A companion for all situations

Revolutionary optical performance in the most compact format possible: the NL Pure 32 binoculars accompany you wherever you go, for unprecedented observation experiences.

SWAROBRIGHT SWARODUR SWAROTOP

Product description

With their 8x magnification, the NL Pure 32 binoculars bring you closer to the action, while their actual field of view of 150 m provides a perfect overview at all times.
Enjoy pleasant observation thanks to their compact design and lightweight (640 g).

+SHAPE

BE ONE WITH YOU

Rue du Perron 17
1204 Genève
022 311 47 75

The NL Pure model is designed to provide a perfect grip. Its revolutionary ergonomic shape ensures comfortable observation, even during long periods.

+VIEW

BE ONE WITH THE MOMENT

An unmatched wide field of view with nearly indiscernible edges allows you to experience nature like never before.

+DETAIL

BE ONE WITH PERFECTION

The SWAROVISION technology guarantees exceptional images with incredible color fidelity, allowing easy identification of every detail.

+COMFORT

EFFORTLESS OBSERVATION

The forehead support ensures hours of comfortable observation - ideal for maximum magnification.

Included

Strap, protective cap, objective lens cap insert, functional bag strap attachment, cleaning cloth, soap, brush

CONCEPT-TERRAIN - Preparation of your binoculars

Before each delivery, your binoculars undergo a **comprehensive optical and mechanical check** by us — to guarantee you a perfectly adjusted instrument, ready for use from the first use.

To enhance your experience in the field, we add a selection of **essential accessories for free:**

- Installation of our **anti-slip system** for the objective lens caps — an exclusive innovation
