IMPRESSIVE MULTIFUNCTIONAL BINOCULARS The EL 42 binoculars are the ideal choice for a spectacular observation experience. Also equipped with brilliant optics and excellent close focus, they can be used during the day as well as in the early moments of dusk.

DESCRIPTION

UNLIMITED PERFECTION

The launch of the EL binoculars by SWAROVSKI OPTIK marked a turning point in the world of long-range optics. These binoculars have received new enhancements, the result of intensive development and absolute commitment. The result of these efforts is the best EL family ever designed.

Capture the smallest details with one hand

The EL 10x42 binoculars capture crucial details thanks to their 10x magnification. They are ideal for long-distance observation.

IMPRESSIVE MULTIFUNCTIONAL BINOCULARS

The EL 42 binoculars combine ideal dimensions, weight, and optical performance to create a perfect product. Versatile and reliable, they are suitable for use during the day as well as at dusk. Nature enthusiasts will appreciate the unique close focus adjustment of 1.5 m, as well as the fast and precise focusing mechanism.

Included accessories

Functional pro case, protective caps for eyepieces and objectives, pro sliding strap

CONCEPT-TERRAIN - Preparation of your binoculars

Before each delivery, your binoculars undergo a **complete optical and mechanical check** by us — to guarantee you a perfectly adjusted instrument, ready to use from the first use.

To enhance your experience in the field, we add a selection of **essential accessories for free**:

- Installation of our **anti-slip system** for the objective covers — an exclusive innovation
