Availability	**in stock / dispatched within 8-15 days**
Item ref. (SKU)	LFO-FM50

Its compact size and ease of use make it an ideal tool for travelers and people on the go.

DESCRIPTION

- **Spring**
- **Arca-Swiss camera plate** - Arca-Swiss style release plate with D-ring and 1/4 camera screw.
- **Fluid pan/tilt head** - With an adjustable control arm, the head offers smooth movements for panning and tilting.

The Forest heads are extremely compact and space-saving, with a sleek and ergonomic design that makes balancing easy. The aerospace-grade aluminum and CNC machined parts provide a solid and durable structure.

Combining our traditional screw clamp mechanism with a 360-degree lockable pan bearing, the Forest is a robust yet lightweight solution for panoramic views.
