DESCRIPTION

CL Companion III - DESERT ORANGE

Exceptional optics. Effortless observation

- Sharp and contrasty images with natural colors
- Intuitive use. No complicated adjustments

A feeling of lightness and balance

- A compact and ergonomic design: with a weight of only about 550g and an ergonomic design, the CL Companion binoculars sit comfortably in all hands, even if you are wearing gloves or glasses.
- The new bridge improves balance and comfort, allowing for comfortable and stable observation.
- Using the binoculars with or without glasses is simple and intuitive, and no major adjustments are needed to adapt the binoculars for glasses wearers.

Designed to adapt to your adventure as well as your personality

- Available with 8x30 and 10x30 magnifications, in Desert Orange, Mountain Green, and Safari Brown colors, each with a matching carrying case.
- A modern and elegant design.

EXCEPTIONAL OPTICS MADE SIMPLE

The CL Companion binoculars offer sharp and contrasty images while maintaining natural color fidelity, all in a compact and intuitive format. No complicated adjustments, no cumbersome weight: just perfectly smooth performance at every moment.

DESIGNED TO ADAPT TO YOUR ADVENTURE AS WELL AS YOUR PERSONALITY

From desert dunes to forest trails or tall grass savannas, the CL Companion binoculars adapt to all the places your adventures take you. Available in 8x30 or 10x30 models and in Desert Orange, Mountain Green, or Safari Brown colors, with a perfectly matching transport bag.

A SENSE OF LIGHTNESS AND FAMILIARITY FROM THE FIRST MOMENT

With a weight of only about 550 g and an ergonomic design, the CL Companion binoculars sit comfortably in all hands, even if you are wearing gloves or glasses. They are designed to be part of your movement, not to distract you.
