Reliable. Comfortable. Essential. The MaxiConfort Secure Strap combines exceptional robustness and perfect ergonomics. Your best ally for safe and enjoyable days.

DESCRIPTION

Reliable and comfortable. Simply essential.

Observe without fatigue, explore without limits. The MaxiConfort Secure Strap combines exceptional robustness and perfect ergonomics. Your best ally for safe and enjoyable days, whether you're hiking or on the lookout.

Observe without limits, comfortably

Hours of observation without discomfort? It's possible. The MaxiConfort Secure Strap is designed for enthusiasts who refuse to choose between performance and well-being. Its two-point attachment system, premium materials, and ultra-thin 1.5 mm cord fit perfectly to your binoculars, even with tight attachments. Result: absolute comfort from morning to evening.

Recommended for :

- Binoculars with an objective diameter of Ø 20 to 33 mm
