Vantage HD binoculars range: H2 optics and excellent value for money.

DESCRIPTION

Discover the Vantage HD binoculars range.
The Vantage HD binoculars feature our H2 optics and offer incredible value for money.

Available with 26 mm, 34 mm, and 42 mm objectives, they benefit from phase-corrected prism coatings and fully multi-coated optics, which enhance light transmission and produce sharp details and excellent color fidelity.

All models feature an open hinge design and are built with a polycarbonate body covered in rubber armor, making them lightweight and reliable. Their ease of use makes them perfect for new nature enthusiasts or for small budgets.

- BAK-4 roof prisms with phase correction
- Fully multi-coated optical system
- Adjustable eyecups
- 1/4 inch - 20 UNC tripod mount thread
